*Corresponding***	*$140.00*			*$140.00*

Please note above pricing does not include sales tax*

**Initiation and Capital Assessment fees shown above reflect installment plans available to new members. Details on additional installment plans available, including applicable discounts for full payment, are shown below. Capital Assessment fees offset costs of capital expenditures for equipment and infrastructure.*

***Family B and Single B Memberships are available to the head of a household age 35 and under as of November 1 of the current membership year. Details on applicable Initiation and Capital Assessment fees and corresponding installment plans for Class B memberships are shown below.*

****Senior, Senior 75, and Corresponding memberships are available to existing members only under special circumstances.*

Member Operations Hours

In the club's spirit of volunteerism, every individual member is assigned to work 8 hours of hill operations per season. Members may choose to opt out of operation hours at a cost of $200 per individual member per season.

Please contact the General Manager, Brad Marcouiller for any questions or more information.
